Fire Report:

- Chief Iverson is hoping that public education will be the key in getting home owners to put numbers on the front of their homes, for public safety reasons, rather than passing an ordinance.
- Breitung Township is already enrolled in the Fire Insurance Withholding program. This allows the township to hold, in escrow, 25% of the insurance settlement. This encourages the homeowner to make repairs or whatever is necessary to make the property safe and useable again. When the township is satisfied with the repairs, the money held in escrow is returned.

Board Discretionary Time:

- Mike Hahner informed the board that we are still waiting on an answer on the Michigan Laborers tax appeal.
- Trustee Gaudette questioned Superintendent Franzoi as to where we are with the City of Iron Mountain on the 425 Agreement. Apparently John Marquart has been out on vacation. Perry will contact him as soon as he returns to work.
- Clerk Coron stated that the office has been receiving a lot of calls about overgrown lawns. As Superintendent Franzoi has stated in the past, the board needs to look into developing a noxious weed ordinance.

Board Discretionary Time, continued:

-Supervisor Olson informed the board that Joe Rogina is now working as our assistant assessor. His first day was Wednesday, June 6th. Adam Chaput is the new deputy assigned to Breitung Township. The industrial park road is prepped and waiting for pavement. The Township Association meeting will be held tomorrow night, June 12th, at 6:30 p.m. at Gunville's Wilderness Ridge; township board members should try to be there by 6:00 p.m.

Motion by Trustee Wales, second by Trustee Erickson to pay the bills totaling \$69,156.61.

Vote: Unanimous, motion carried.

Motion by Trustee Wales, second by Trustee Erickson to adjourn the meeting.

Vote: Unanimous, motion carried.

The meeting was declared adjourned by Supervisor Olson at 7:42 p.m.
